We are delighted that you are considering Mount Juliet Christian Academy Preschool for the care and education of your child. Selecting a school for your little one is not only one of your most important decisions, but also one of your most challenging. At MJCA we are pleased to have a reputation in the community for being a warm, caring and excellent preschool where we provide a stimulating Christian environment in which your child will grow physically, mentally, socially, emotionally and spiritually. We want your child to know that learning is fun and that "school" is a fun, safe and happy place to be.

We offer families a variety of scheduling options to work into their schedules. Whichever option best fits your need we believe your child will experience an exciting year filled with learning and fun! Our program is developed around the well known and highly regarded A Beka Curriculum. Your child's school day will include a Bible story, phonics lesson, math study, special unit work (shapes, pets, dinosaurs, apples, weather, etc.), craft time, snack time, indoor and outdoor playtime, stories, songs and poems! We pack a lot of learning and fun into four hours! Our well trained teachers like to have open, accessible classrooms, and encourage you to be involved. We make every effort to keep you informed about what is happening in our classroom each day.

One area where many parents have great concerns is for the safety of their children. We are proud of the safe environment we provide for our children at MJCA. We have security cameras in the parking lot as well as in the hallways; we are regularly reviewed by a state safety officer to ensure we are complying with the state mandated safety requirements, and we are able to keep in ready contact with our teachers whether they are in the classroom or on the playground. Your child's safety is of the utmost importance to us and we do everything within our power to ensure that their time at school is both safe and enjoyable.

Our students learn so much in these early years and, best of all, they have a great time doing it. Please feel free to call our office to schedule a personal tour and allow us to introduce ourselves to you and let you get a true sense of life at MJCA. We would love for you to catch a glimpse of our preschool family, but, be sure to register early – our classes fill very quickly! There is an admissions checklist on the back of this letter to help walk you through the admissions process. Thank you.
