

MJCA Newsletter

saints news

Welcome to a brand new year! As a faculty and staff we are excited about what God is doing and has in store for this year. We hope that you and your children are as well. Much preparation has taken place, and we are working steadily to improve our program. With that in mind, we are introducing a new math curriculum this year as a direct result of our in-house review of the math program at MJCA last year. We are excited about this change and what it can mean for our students as we all adjust to this new curriculum. This year we will review our science curriculum. Much is happening and you will be hearing more about that as the year progresses. Know that God is blessing MJCA in a mighty way. I ask that you join the faculty and staff by continually bringing MJCA before the Lord in prayer as we begin the 2018-2019 journey. Glad to have each of you join us for THIS journey! God bless!

Mrs. V

Nurse's Notes

IMMUNIZATION RECORD UPDATE

If you have a student entering Kindergarten or 7th Grade, we must have an updated immunization form! Forms are due August 10th.

The State of Tennessee requires updated immunization records for both Kindergarten and 7th Grade students.

Please ask your pediatrician's office to fax records to the attention of the MJCA Nurses at 615-758-3662.

Email Nurse Kelli, kwillimon@mjca.org with any questions.

MEDICAL FORMS

Students that need or carry inhalers or Epipens during the school day, and students that have medications to be administered during the school day, must fill out the medical forms found on RenWeb and submit them to the school nurses. Some of these forms require a doctor's signature. Please fill out these forms and turn them in to the nurses along with any medications that may need to be stored in the clinic. All forms are due August 13.

Transportation Needed

A new MJCA family is in need of transportation. This family has a 7th grade boy. They live on the north end of Mt. Juliet Road near Charlie Daniels Park. If you are available to help this family out, please contact Marla Cochran directly, cochrangang2004@gmail.com

MTPAA at MJCA

Middle Tennessee Performing Arts Academy is about to kick off our 7th year here at MJCA! MTPAA is a school for performing and visual arts which offers students of all ages at every experience level group classes in voice, violin, theater and art, as well as private lessons in voice, piano, guitar, violin, mandolin, drums, acting and art (just to name a few!). We offer lessons on Monday and Thursday afternoons and evenings at the MJCA campus. We have pick up and drop off service available for extended care students. The Fall Semester starts August 13th!

This year, in addition to our elementary Jr. Theater class, we are offering a brand new Jr. Theater group class for middle school students on Monday afternoons. If you have a budding actor who would love to work in a fun group setting to learn character development, scene building, and many other skills young actors need, call now to get on the roster!

We also have openings at our sister campuses (Victory Baptist Church and Green Hill Church) on Tuesdays and Wednesdays. For more information, please call Cindy Roberts, Director of Middle Tennessee Performing Arts Academy, at 615.351.2306 or email croberts@mtpaa.com. "Like" us on Facebook at www.facebook.com/MTPAA/ or check out our website at www.mtpaa.com for announcements and information.
