

MJCA Rising K, 1st and 2nd Summer Reading Challenge

Let's Build a TOWER OF BOOKS

Mt. Juliet Christian Academy is under construction – and your rising Kindergartener, 1st Grader, and 2nd Grader can join in on some building fun by reading a Tower of Books this summer!

Please use the attached form to keep track of ANY book your student reads or has read to them this summer. You may print off as many forms as you need!

Your student may return the completed lists by Friday, August 13th, and let's see how high we can build our Tower of Books!

If you have any questions, please reach out to MJCA Librarian Amy Wilson at awilson@mjca.org.

Have a wonderful summer filled with reading your favorite books. Don't forget parents: you may count the books you read to your child. Have fun working on your Tower of Books!
